

STATEMENT OF CERTIFICATION AND PUBLIC NOTIFICATION

The Existing (2006) and Future (2011) Noise Exposure Maps; the Noise Compatibility Program (NCP); and accompanying documentation for Cincinnati/Northern Kentucky International Airport, are submitted in accordance with Part 150 of the Federal Aviation Regulations (14 CFR 150). To the best of my knowledge and belief, the Existing (2006) and Future (2011) Noise Exposure Maps were prepared with the best available information and on the basis of reasonable assumptions and are hereby certified as true, complete, and representative of existing and future aircraft noise levels.

I also hereby certify that interested persons have been afforded adequate opportunity to submit their view, data, and comments concerning the correctness and adequacy of the draft noise exposure maps and descriptions of forecast aircraft operations; and on the formulation and adequacy of the Noise Compatibility Program and accompanying documentation. A copy of all written comments and transcripts of all oral comments received during development of the Noise Exposure Maps and the Noise Compatibility Program is included in this document.
